Caution concerning the Beachside & Hillside Ocean View Pool Villas

The Hillside Ocean View Pool Villas One, Two & Three Bedrooms are situated some 60 to 80 meters above sea level in a serene rainforest and offer unrivalled ocean views, magnificent sunsets and all round great privacy. A shuttle service is provided to take you down to the lower part of the resort or at the beachside and of course back to your hillside villa whenever needed. As a reminder all the villas (Beachside villas 2 & 3 bedrooms & Hillside Villas 1, 2 & 3 bedrooms) have a steep drop-off from the infinity-edge pool so the parents with toddlers or young children who wish to book such villas should be aware that they will have to be especially vigilant in safeguarding their young ones & toddlers from these potential dangers.
