

KIDS' CLUB

The image shows a brightly lit children's club. On the left, a large curved wall features a colorful mural of an underwater scene with various fish, coral, and a starfish. In the center, there is a red oval table with four white chairs with red seats. To the right of the table is a colorful plastic playhouse with a pink door and purple roof. In the background, a wooden table and chairs are set against a blue wall. On the right side, there is a reception counter with a white top and light wood base, displaying various toys and items. A blue door with a decorative frame is visible on the right wall. The floor is dark blue with a large white circular graphic. The ceiling has recessed lighting and a circular skylight with a blue sky pattern.
